

MAT 296-003 Calculus II

Spring 2017

Course Meetings: TTh 12:30 pm – 1:50 pm, 122 Carnegie.

Recitations: F 8:00 am – 9:20 am, 114 Carnegie.

Instructor: Professor Stephan Wehrli
Office: 304B Carnegie
Office Hours: TTh 3:30 – 4:30 pm, and by appointment.
Phone: 315-443-1491
Email: smwehrli@syr.edu

Recitation Instructor: Marius Mueller, 103C Archbold, mamuelle@syr.edu

Course Webpage: <https://smwehrli.expressions.syr.edu/teaching/mat-296-spring-2017>

Homework and Quizzes: There will be online WebAssign homework as well as optional written homework. A list of suggested written homework problems can be found in the course-wide syllabus. A quiz will be given in most recitation meetings.

Exams: There will be three midterm exams during the semester. These exams will be given during recitations on the following dates:

Exam 1	Friday, February 10, 2017;
Exam 2	Friday, March 10, 2017;
Exam 2	Friday, April 21, 2017.

Make-up Exams and Quizzes: No make-up exams or quizzes will be given. The math department policy for a missed exam is that, if you can justify the absence to the satisfaction of your instructor, then your grade on the relevant portion of the final exam will be substituted for the missing grade. Typically, you will not be allowed to make up more than one exam this way. If you cannot justify your absence from an exam, then you will receive a grade of zero for that exam. Any exceptions to these procedures must be approved by the course supervisor. If you know in advance that you will have to miss a quiz or exam because of some major event, you should discuss this matter with your instructor well before the quiz/exam. **One quiz score will be dropped. There are no provisions beyond this for make-up quizzes.**

Final Exam: The final examination covers material from the entire course. It is a two-hour exam, and will be given sometime on **Monday, May 8, 2017 between 8:00 am and 2:30 pm.** The exact time and place will be announced midway through the semester. **The time cannot be changed, and all students must take the final exam at the scheduled time.** **Do not make plans to leave campus before 2:30 pm on Monday, May 8, 2017.**

Please see the course-wide syllabus (available on the course webpage) for more information.

WebAssign Registration Instructions for MAT 296-003 Spring 2017

1. Go to www.webassign.net.
2. Click on **LOG IN** on the left side of the page.
3. Click on **I HAVE A CLASS KEY**.
4. Enter the class key by entering **syrr** in the first box, **1089** in the second box, and **9689** in the third box; then click **SUBMIT**.
5. Make sure you see my name there (Stephan Wehrli) and then click on **Yes, this is my class**.
6. Unless you already have a WebAssign account, select **I need to create a WebAssign account**.
7. Enter a user name (preferably your SU NetID user name) and a password of your choice, enter the required identifying information. Then click on **Create my Account**.
8. The next page confirms your information, so click on **Log In Now**.
9. You should be logged in now. Select **Purchase an access code online** if you need one, or if you have one with your new textbook that you purchased at the SU book store, you can click on the left hand button to enter that.

Or, you can continue for about 14 more days until you are able to get an access code (if you plan on getting it with a new textbook, for example).
